

Proof of Income Requirements

As of the 2019-2020 school year, per the bylaws of the Preschool for All Grant and the Illinois State Board of Education, income verification documentation must be collected for every preschool student enrolling in the Bonfield Grade School, Preschool for All program.

Proof of income must be collected from both parents, if they live together. If the family does not want to provide income verification documents, the child cannot be enrolled in the Bonfield, Preschool for All program.

Any of the following forms of evidence for proof of income will be accepted:

1. Pay stubs (two most recent, consecutive)
2. Tax return (most recent)
3. Wages and Tax Statement (most recent W-2)
4. Verification / letter from employer
5. Proof of WIC benefit / Proof of Supplemental Nutrition Assistance Program (SNAP) benefit
6. Proof of Temporary Assistance for Needy Families (TANF) enrollment
7. Proof of Supplemental Security Income (SSI) benefit
8. Proof the family receives Child Care Assistance Program (CCAP)
9. Proof that the parent is enrolled in Medicaid (a medical card with the child's name does not prove income eligibility).
10. A signed Statement of No Income form. This form is only an option when the families have no income sources. The Statement of No Income form is available by request only.

All income verification documents will be kept confidential and never shared with any party outside of the Preschool for All program or the Herscher School District.
