After approving the travel request, the building supervisor will return this form to the employee who will keep it until after the dates of travel. The right side should then be completed, using actual expense amounts, and then return it to the building supervisor who will approve the actual expense and forward it to the Unit Office for payment. Reimbursement checks are distributed after the regular Board meeting. Approved forms must be in the Unit Office by the 1st day of each month prior to the Board meeting.

Note: Rates change periodically. Please check the Staff Forms section of the District's website for the most up to date version.
