

# School Dance Behavior Policy

## Herscher High School

Attending dances at Herscher High School is a privilege extended to all our students. We hope to provide an environment that every student enjoys, free from any activity that may make students uncomfortable. Because we continue to strive for a positive experience for all of our students, the following agreement must be signed prior to purchasing any tickets for a dance sponsored by Herscher High School.

---

By signing below, I agree to the following guidelines for dance behavior while in attendance at dances sponsored by Herscher High School:

- All dancing will be conducted face to face
- All face to face dancing will not include inappropriate or excessive physical contact as defined by the staff and administration

Students that do not adhere to this policy will be removed from the dance immediately and will not be allowed to attend a dance for 1 calendar year. No refunds will be given to students that are removed from inappropriate behavior. Additionally, the administration will not sign any dance requests for school dances held at other schools for students that are removed from a dance for failing to adhere to the School Dance Behavior policy.

In addition, the following dress code will also be enforced:

- All dresses must be finger tip in length
- Dresses that have plunging neck lines or are too low cut are not allowed
- Backless dresses that extend below the line of the navel are not allowed
- Dresses that allow for a bare midriff are not allowed
- For men: Full length pants are required for all dances

Students wearing attire that does not meet the dance dress code will be denied access to the dance. Refunds will not be given for students choosing to wear inappropriate clothing to the dance and are refused access.

Again, we hope to provide a positive environment free from behavior that makes others uncomfortable and is age appropriate.
