Classroom Expectations

FOLLOW THE 4 Bs

1. **Be on time:** Being frequently late will result in a detention.
2. **Be prepared:** You will have your text, binder, calculator, and pencils for my class.
3. **Be respectful:** Respect your fellow classmates and teacher by listening when someone is speaking. Raise your hand to speak.
4. **Be aware of deadlines:** Pay attention when I tell you when an assignment is due and write it down! See me if you need help!

Assignments & Grading

materials

Pencils
Lined Paper
Binder
Calculator
Highlighter

Grading scale

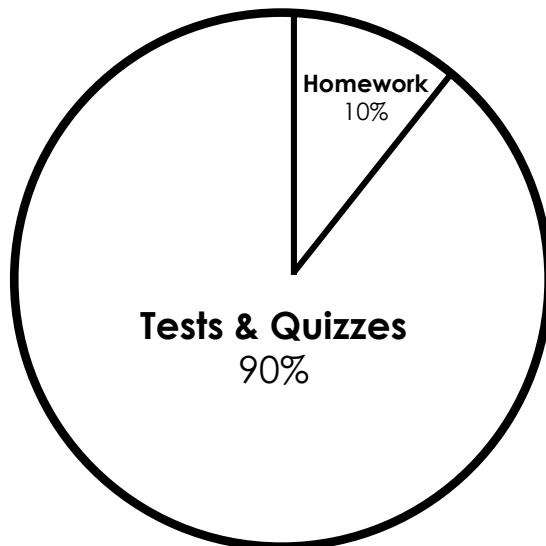

A – 90-100%

B – 80-89%

C – 70-79%

D – 60-69%

F – BELOW 60%

Grading Details

Extra help from Mrs. Rezba

Yes! I am more than happy to help you if you are struggling with a particular concept. Please make an appointment with me at least a day in advance if you know for sure you want help. **We can either meet in person or schedule a special one-on-one Zoom to go over your questions.** You can always reach out via TEXT in Remind if you have a quick question or need to RSVP coming in.

Quiz Correction Policy

In recognition that learning is a continual process students may earn the right to perform quiz corrections. When quiz corrections are offered students will fix any problem missed providing a reflective statement of what was learned about how to do the problem compared to the erroneous thinking used before. Students submitting corrections by the deadline will earn back half the points missed on every question successfully corrected. **Corrections are a privilege, not a right, students should not assume the opportunity will be offered.**

What if I miss a day?

Regular Instruction Day: Look on Planbook for the lesson you missed and check the absent wall for any handouts. Your work is due ASAP.

Review Day: If we have more than one, no biggie, you still get to review! If we have only one review day you that you miss, you'll study the day you get back and take the quiz/test the next day!

Quiz/Test Day: If you were here during the review day(s) you take it the day you come back. If you weren't we'll set a deadline together.

Can I turn in late work?

Plain and simply no. Late work is not accepted.

Homework is announced and available the first day of a unit. Homework is due the day of the unit test.

CLASSROOM FAQs

What is texting on remind?

Remind is a free confidential service with apps for Android and iOS which allows you the student/parent and the teacher to text each other! Mrs. Rezba uses remind to send out reminders, either whole class or individual student. You can use remind to privately ask Mrs. Rezba a question or let her know something and she can respond directly to you as soon as she gets the notification. To sign up, look at page one for texting directions or ask Mrs. Rezba for help!

What can I find online?

Mrs. Rezba's classroom website has all the course material you need – **get there by googling "Mrs. Rezba" and it's the first link that pops up!!!** Here you will find:

- Syllabus
- Link to Planbook for pacing
- Google Classroom Info →
- Important documents .
- GoFormative & Delta Math Info ↓

Lesson Pacing in Google Classroom

In the Classwork portion of Google Classroom you will find the content of the course broken up week by week.

If you know you're going to be absent: look ahead and see what you're going to miss.

If you're unexpectedly absent: look and see what you did miss.

If you're wanting to know what's coming up: look and see the *tentative* pacing.

GoFormative & Delta Math

Delta Math will be used as a main resource of assigning homework problems. Students can go back and work on assignments up until the due date.

GoFormative will be used for a few homework assignments and primarily for quizzing and testing.

Students will be using their school google accounts to link to both programs.

Nearpod Videos

Students will be using Nearpod to watch videos and participate in notes to prepare for the lessons to be covered during the upcoming class period. Links to the Nearpod lessons will be found in Google Classroom.

SUCCESS IS THE SUM OF SMALL EFFORTS, REPEATED DAY IN AND DAY OUT.

Classroom Policies

1 Cell Phone Policy

ZERO CELL PHONES ALLOWED.

There is a "Cell Phone Day Care" in the back of the room for those tempted. There's also a charging station to utilize during class.

1st Offense: Warning

2nd Offense: Call home & Referral

3rd Offense: Referral & Detention

Calculator Policy

2

Must have a calculator daily.

There are some calculators students may borrow for a class period.

Classroom calculators **may not** leave the room. Students are expected to treat this technology with respect and any student caught misusing calculators will be banned from borrowing for a month.

On quiz and test day the memory and programs of every calculator used by students will be cleared by Mrs. Rezba.

3 Water/Snack Policy

ONLY WATER & JUICE are allowed in the room provided they are in a container that can close.

SNACKS are allowed based on dietary needs and with Mrs. Rezba's permission.

Snacks that are disruptive will be confiscated and disposed of

Academic Integrity

4

There is **ZERO TOLLERANCE** for cheating. All work presented to Mrs. Rezba will be the student's own. Any student caught cheating or assisting a classmate to cheat will receive an automatic zero for the work in question. The student will also receive a referral to the office for further disciplinary action.

It is expected every student will always exhibit high levels of academic integrity.

5 Vandalism Policy

Any student caught defacing the property of the school, Mrs. Rezba, or classmates, will be disciplined accordingly.

Punishments will range from cleaning the room to referral for detention depending on the severity of the vandalism.
