Each player will receive individualized and group instruction in shooting, ball handling, passing, and defense. “We strongly believe that being fundamentally sound is the key to success at any level in basketball. During my years as the Varsity Coach, our Record has been 466 wins, with only 244 defeats. During this time span, we have also won 35 championships. Being fundamentally sound has been a big key to our success. Each boy who attends our camp will improve his play fundamentally!”
