The Limestone and Herscher Volleyball Coaches will be holding their annual volleyball camp again this summer. Using the help of our high school players, the camp attendees will be learning and practicing the various skills associated with playing the game of volleyball. This camp is a great way for beginners to get some experience and see if volleyball is something they will want to play this year in 6<sup>th</sup>, 7<sup>th</sup>, or 8<sup>th</sup> grades. It is also a great way for players with some experience to take their skills a little farther in getting ready for their next season.

Fill out the form below and return it to JOEL HUIZENGA at Herscher Intermediate School or Limestone Middle School with a check for \$45 (made out to Herscher High School) by MAY 11.
