

Entity collecting this statement:  
Herscher Community Unit School District #2 on behalf of  
the Preschool for All Program / Illinois State Board of Education (ISBE)  
501 N. Main Street, Herscher, IL 60941

Per the bylaws of the Preschool for All Program grant, all preschool parents must provide proof of income or sign a Statement of No Income prior to preschool screening. Failure to provide proof of income or a Statement of No Income will disqualify the child from screenings and therefore make them ineligible for the Preschool for All Program. It will then be the parent/guardian's responsibility to find other preschool or daycare arrangements.

This document will be kept confidential and never shared with any party outside of the Preschool for All or Head Start Program.

## Statement of No Income

I, \_\_\_\_\_, verify that I have not  
(PRINT full name)  
obtained and/or received any form of income since \_\_\_\_\_,  
(last date of income)  
either through a government assistance program or individual  
earnings, including earnings paid in cash.

I attest the above statement to be true,
