Donate to your YBD teachers!

We are offering our virtual classes FREE to everyone.

Our teachers have been, and continue to be, incredibly supportive. They have been working hard with us to offer classes online and share online videos with us to share with all of you! They are the heart of our community.

Many of them have lost their main source of income during this time, as they are

unable to teach their regular class schedule.

If you would like to donate to our teachers you can do so using the link below.

*All proceeds go directly to YBD teachers
