Drug- and Alcohol-Free Workplace

The following document is pursuant with Board Policy 5:50

Please read this document carefully and completely before signing.

All District workplaces are drug- and alcohol-free workplaces.

All employees are prohibited from engaging in any of the following activities while on District premises or while performing work for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance, or being impaired by or under the influence of any illegal substance or any detectible use of any illegal substance regardless of when or where the use occurred.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectible, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, 105 ILCS 5/22-33. The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

For purposes of this policy, *District premises* means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a Board of Education meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. *School grounds* means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of this Board policy respecting a drug-and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

Herscher Community Unit School District #2

Drug- and Alcohol-Free Workplace

1. Provide each employee with a copy of this policy.
 2. Post notice of this policy in a place where other information for employees is posted.
 3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations.
 4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
 5. Establish a drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the District may impose upon employees for violations of this policy.
-
1. Remind employees that policy 6:60, *Curriculum Content*, requires the District to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco has the meaning provided in 105 ILCS 5/10-20.5b.

Cannabis has the meaning provided in the CRTA, 410 ILCS 705/1-10.

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device.

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Superintendent shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Standards and Procedures for Staff

Whenever people gather together to achieve goals, some rules of conduct are needed to help everyone work together efficiently, effectively, and harmoniously. We must hold ourselves to a high standard of quality, so that students are encouraged to learn to the limits of their abilities. Rules and authority assure that students and employees have a safer, more effective, and more efficient place to learn and work.

As an employee, you have a responsibility to the District, parents, students, taxpayers and to your fellow employees to adhere to certain rules of behavior and conduct. The purpose of these rules is not to restrict your rights, but rather to be certain that you understand what conduct is expected and necessary.

Generally speaking, we expect each employee to act in a mature and responsible way at all times. When each person is aware that he/she can fully depend upon fellow workers to follow the rules of conduct, then our school district will be a better place to work and a better place for students to learn.

If you have any questions concerning any work or safety rule, or any of the unacceptable activities listed, please see your Principal or Superintendent for an explanation.

GENERAL EMPLOYMENT EXPECTATIONS/INFORMATION - The building/department administrator shall provide and review all rules with new employees. It shall be the duty of each employee to read, understand, and apply all work rules.

1. Applicants shall not falsify employee applications.
2. Each employee shall report all work-related injuries immediately to his/her supervisor who will then notify the Insurance Claims Secretary, Heather Crane, in the Unit Office. The supervisor will complete a First Report of Injury. (This form is available on our district website under Staff Forms.)
3. Any employee receiving worker's compensation benefits who is eligible to receive the following benefits shall have said benefits affected as indicated below:

 - B. Sick leave does not accrue for a successor school year unless and until the employee returns to work.
 - C. Seniority accrues as though the employee is working.
4. Employees shall call in before their assigned starting time when ill or injured, and shall not engage in unauthorized absences. Please call your direct supervisor/ building principal prior to 7:00 a.m. the day of or before 10:00 p.m. the night prior to an anticipated absence.

Otherwise, the employee shall be deemed absent without leave and subject to discharge. For probationary employees, absence for 15 working days beyond the exhaustion of sick leave, and every absence thereafter, shall constitute a break in service, restarting the probationary period.
10. A disability that lasts longer than 90 working days after the exhaustion of sick leave shall not be deemed temporary. The Board of Education may require any employee applying for disability leave to submit to an examination by a physician of the Board's choosing, at Board expense, to verify the disability and its likely duration. This provision shall not be interpreted as waiving any rights of an employee or the Board of Education under the Americans with Disabilities Act. This provision does not limit the right of the Board to dismiss "at will" employees. This provision does not require the Board of Education to grant any leave of absence without pay, after exhaustion of sick, leave when the disability is permanent.
11. Employees should provide at least 30 days' notice to the Superintendent of the date that a family and medical leave is to begin. If 30 days' notice is not possible, notice must be given within two business days of when the need becomes known to the employee. Failure to give the required notice may result in a delay in granting the requested leave.
