Harassment and Sexual Misconduct Policy

Please read this document carefully and completely before signing.

It is the policy of Herscher CUSD#2 to provide an environment free from harassment and sexual misconduct of any kind (including sexual harassment). Verbal or physical conduct by any employee or individual, which harasses, disrupts, or interferes with another's work performance or a student's education environment or which creates an intimidating, offensive or hostile environment will not be tolerated. Herscher CUSD#2 is committed to maintaining a workplace where each employee / student's privacy and personal dignity are respected and protected from offensive or threatening behavior.

District employees shall not make unwelcome sexual advances or request sexual favors or engage in any unwelcome conducts of a sexual nature when 1) submission to such conduct is made either explicitly a term or condition of employment or a student's ability to participate in or benefit from an educational program, 2) submission to or rejection of such conduct by an individual or student is used as the basis for employment or educational decisions affecting such individual or student, 3) such conduct has the purpose or effect of substantially interfering with an individual's work performance or a student's ability to participate or benefit from an educational program or creating an intimidating, hostile, or offensive working or educational environment. The terms intimidating, hostile, or offensive include but are not limited to, conduct which has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances, but is understood to include a wide range of behaviors, including but not limited to the actual coercing of sexual relation, verbal or physical sexual advances, sexually explicit or derogatory statement, and physical aggressiveness. Such behavior may offend the aggrieved party, cause discomfort or humiliation and interfere with job performance and/or the educational environment.

A violation of this policy may result in discipline, up to and including discharge. Any person who makes a knowingly false accusation regarding harassment or sexual misconduct will likewise be subject to disciplinary action, up to and including discharge.

Compliant Procedure:

Aggrieved persons, who feel comfortable doing so, should directly inform the person engaging in harassing conduct or communication that such conduct or communication is offensive and must stop.

Employees should report claims of harassment or sexual misconduct to the Nondiscrimination Coordinator and/or use the Uniform Grievance Procedure. Employees may choose to report to a person of the employee's same sex. Initiating a complaint of harassment or sexual misconduct shall not adversely affect the complainant's employment, compensation or work assignment.

There are no express time limits for initiating complaints and grievances under this policy; however, every effort should be made to file such complaints as soon as possible, while facts are known and potential witnesses are available.

Contact with a Report or Compliant: **Superintendent or Non-Discrimination Coordinator**

Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment.

THIS POLICY IS TO BE REVIEWED AND SIGNED BY ALL EMPLOYEES

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		▶ Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below for roughly accurate withholding; **or**

Illinois Withholding Allowance Worksheet

General Information

Use this worksheet as a guide to figure your total withholding allowances you may enter on your Form IL-W-4.

Complete Step 1.

Complete Step 2 if

- you (or your spouse) are age 65 or older or legally blind, or
- you wrote an amount on Line 4 of the Deductions and Adjustments Worksheet for federal Form W-4.

If you have more than one job or your spouse works, your withholding usually will be more accurate if you claim all of your allowances on the Form IL-W-4 for the highest-paying job and claim zero on all of your other IL-W-4 forms.

You may reduce the number of allowances or request that your employer withhold an additional amount from your pay, which may help avoid having too little tax withheld.

Step 1: Figure your basic personal allowances (including allowances for dependents)

Check all that apply:

- No one else can claim me as a dependent.
 I can claim my spouse as a dependent.

- 1 Enter the total number of boxes you checked. 1 _____
2 Enter the number of dependents (other than you or your spouse) you will claim on your tax return. 2 _____
3 Add Lines 1 and 2. Enter the result. This is the total number of basic personal allowances to which you are **entitled**. You are not required to claim these allowances. The number of basic personal allowances that you choose to claim will determine how much money is withheld from your pay. See Line 4 for more information. 3 _____
4 Enter the total number of basic personal allowances you choose to claim on this line and Line 1 of Form IL-W-4 below. This number may not exceed the amount on Line 3 above, however you can claim as few as zero. Entering lower numbers here will result in more money being withheld (deducted) from your pay. 4 _____

Step 2: Figure your additional allowances

Check all that apply:

- I am 65 or older. I am legally blind.
 My spouse is 65 or older. My spouse is legally blind.

- 5 Enter the total number of boxes you checked. 5 _____
6 Enter any amount that you reported on Line 4 of the Deductions and Adjustments Worksheet for federal Form W-4 plus any additional Illinois subtractions or deductions. 6 _____
7 Divide Line 6 by 1,000. Round to the nearest whole number. Enter the result on Line 7. 7 _____
8 Add Lines 5 and 7. Enter the result. This is the total number of additional allowances to which you are **entitled**. You are not required to claim these allowances. The number of additional allowances that you choose to claim will determine how much money is withheld from your pay. 8 _____
9 Enter the total number of additional allowances you elect to claim on Line 2 of Form IL-W-4, below. This number may not exceed the amount on Line 8 above, however you can claim as few as zero. Entering lower numbers here will result in more money being withheld (deducted) from your pay. 9 _____

IMPORTANT: If you want to have additional amounts withheld from your pay, you may enter a dollar amount on Line 3 of Form IL-W-4 below. This amount will be deducted from your pay in addition to the amounts that are withheld as a result of the allowances you have claimed.

----- Cut here and give the certificate to your employer. Keep the top portion for your records. -----

Statement Concerning Your Employment in a Job Not Covered by Social Security

Employee Name

Employee ID#

Employer Name

Employer ID#

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2005, the maximum monthly reduction in your Social Security benefit as a result of this provision is \$313.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, "Windfall Elimination Provision."

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of \$600 based on earnings that are not covered under Social Security, two-thirds of that amount, \$400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a \$500 widow(er) benefit, you will receive \$100 per month from Social Security ($\$500 - \$400 = \$100$). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, "Government Pension Offset."

For More Information

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security benefits.

Drug- and Alcohol-Free Workplace

The following document is pursuant with Board Policy 5:50

Please read this document carefully and completely before signing.

All District workplaces are drug- and alcohol-free workplaces.

All employees are prohibited from engaging in any of the following activities while on District premises or while performing work for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance, or being impaired by or under the influence of any illegal substance or any detectible use of any illegal substance regardless of when or where the use occurred.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectible, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, 105 ILCS 5/22-33. The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,

Employee Use of Social Media Sites, including personal sites

Because of the unique nature of social media sites, such as Facebook and Twitter, and because of the district's desire to protect its interest with regard to its electronic records, the following rules have been established to address social media site usage by all employees:

KEEP PERSONAL AND PROFESSIONAL ACCOUNTS SEPARATE

Staff members who decide to engage in professional social media activities will maintain separate professional and personal email addresses. Staff members will not use their district email address for personal social media activities. Use of district email for this purpose is prohibited and will be considered a violation of district policy that may result in disciplinary action.

CONTACT WITH STUDENTS

Although it is desired that staff members have a sincere interest in students as individuals, partiality and the appearance of impropriety must be avoided. All staff shall maintain a professional relationship with all students, both inside and outside of the classroom. Listing current students as friends on networking sites wherein personal information is shared or available for review is not recommended. Contacting students through electronic means is to be school-related and generic. Inappropriate contact of any kind, including via electronic media is prohibited.

Nothing in this policy prohibits district staff and students from the use of education websites and/or use of social networking websites created for curricular, co-curricular, or extra-curricular purposes where professional relationship is maintained with the student. Failure to maintain a professional relationship with students, both inside and outside of a classroom setting, including interaction via social networking websites of any nature, e-mailing, texting, communication-specific apps, or other electronic methods may result in disciplinary action up to and including termination.

RULES CONCERNING DISTRICT-SPONSORED SOCIAL MEDIA ACTIVITY

If an employee wishes to use Facebook, Twitter, or other similar social media sites to communicate meetings, activities, games, responsibilities, announcements, etc. for a school-sponsored club or a school-based activity or an official school-based organization, the employee shall comply with the following procedures and rules:

Notify the District

Employees that have or would like to start a social media page should contact their building administrator and/or superintendent. All district pages must have an appointed employee who is identified as being responsible for content. The building administrator and/or superintendent should be aware of the content on the site, arrange for periodic monitoring of the site, and for the receipt and response to complaints about the content on the site. The superintendent reserves the right to shut down or discontinue the site if he/she believes it is in the best overall interest of the students and/or district.

Have a Plan

District staff will consider their messages, audiences, and goals, as well as strategy for keeping information on social media sites up to date, accurate, and in the best interest of the students.

Protect the District

Posts on district-affiliated social media sites should protect the district by remaining professional in tone and in good taste. Carefully consider the naming of pages or accounts, selection of pictures or icons, compliance with district policy, state, and federal laws with regard to student and employee confidentiality, and the determination of content. The employee must also comply with the following rules

1. The employee must set up the club, etc. as a group list that will be closed and moderated.
2. The employee must set up mechanisms for delivering information to students that are not members of the group via non-electronic means.
3. Members will not be established as friends but as members of the group list.

10. Postings made to the site must comply with all other district policies pertaining to district web sites, internet usage, technology and confidentiality of student information.

Personal Sites

The board respects the right of employees to use social media as a medium of self expression on their personal time. As role models for students, however, employees are responsible for their public conduct even when they are not performing their job duties as employees of the district. Employees will be held to the same professional standards in their public use of social media and other electronic communications as they are for any other public conduct. Further, school employees remain subject to applicable state and federal laws, board policies, administrative regulations and applicable code of ethics, even if communicating with others concerning personal and private matters. If an employee's use of social media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment.

Employees are responsible for the content on their social media sites, including content added by the employee, the employee's friends or members of the public who an access the employee's site, and for web links on the employee's site. If you identify your yourself as a district employee online, it should be clear that the views expressed, posted, or published are personal views, not necessarily those of the district, it's Board, employees, or agents.

Opinions and/or other content expressed or posted by staff on a social networking website have the potential to be disseminated far beyond the speaker's desire or intention, and could undermine the public perception of the individual's fitness to educate students, and thus undermine teaching effectiveness. In this way, the effect of the expression and publication of opinions or other content could potentially lead to disciplinary action being taken against the staff member, up to and including termination or non-renewal of the contract of employment.

Posting to Social Media Sites

Employees who use social media for personal purposes must be aware the content they post may be viewed by anyone, including students, parents and community members. Employees shall observe the following principles when communicating through social media:

1. Employees shall not post confidential information about students, employees or school system business;
2. Employees are encouraged not to accept current students as friends or 'followers' or otherwise connect with students on social media sites, unless the employee and student have a family relationship or other type of appropriate relationship that originated outside of the school setting.
3. Employees shall be professional in all internet postings related to or referencing the school system, students, and other employees.
4. Employees shall not use profane, pornographic, obscene, indecent, lewd, vulgar or sexually offensive language, pictures or graphics or other communication that could reasonably be anticipated to cause a substantial disruption to the school environment.

11. Employees are strongly discouraged from communicating with students, or parents regarding a student, from a personal e-mail account.
12. Employees shall be responsible for all content posted on their site by themselves and others and shall regularly monitor their site and remove any content that could reasonably be anticipated to cause a substantial disruption to the school environment.

Standards and Procedures for Staff

Whenever people gather together to achieve goals, some rules of conduct are needed to help everyone work together efficiently, effectively, and harmoniously. We must hold ourselves to a high standard of quality, so that students are encouraged to learn to the limits of their abilities. Rules and authority assure that students and employees have a safer, more effective, and more efficient place to learn and work.

As an employee, you have a responsibility to the District, parents, students, taxpayers and to your fellow employees to adhere to certain rules of behavior and conduct. The purpose of these rules is not to restrict your rights, but rather to be certain that you understand what conduct is expected and necessary.

Generally speaking, we expect each employee to act in a mature and responsible way at all times. When each person is aware that he/she can fully depend upon fellow workers to follow the rules of conduct, then our school district will be a better place to work and a better place for students to learn.

If you have any questions concerning any work or safety rule, or any of the unacceptable activities listed, please see your Principal or Superintendent for an explanation.

GENERAL EMPLOYMENT EXPECTATIONS/INFORMATION - The building/department administrator shall provide and review all rules with new employees. It shall be the duty of each employee to read, understand, and apply all work rules.

1. Applicants shall not falsify employee applications.
2. Each employee shall report all work-related injuries immediately to his/her supervisor who will then notify the Insurance Claims Secretary, Heather Crane, in the Unit Office. The supervisor will complete a First Report of Injury. (This form is available on our district website under Staff Forms.)
3. Any employee receiving worker's compensation benefits who is eligible to receive the following benefits shall have said benefits affected as indicated below:
 - A. Insurance - Board share of the group health insurance premium will be paid by the District until the exhaustion of earned and available Sick Leave, Family Medical Leave, Vacation Leave and Personal Leave, if the employee chooses these leaves.
 - B. Sick leave does not accrue for a successor school year unless and until the employee returns to work.
 - C. Seniority accrues as though the employee is working.
4. Employees shall call in before their assigned starting time when ill or injured, and shall not engage in unauthorized absences. Please call your direct supervisor/ building principal prior to 7:00 a.m. the day of or before 10:00 p.m. the night prior to an anticipated absence.
