Dear Herscher CUSD #2 Parents/Guardians,

Beginning today, **January 24**, students, teachers and parents across Illinois have the opportunity to participate in the annual statewide Illinois 5Essentials Survey. This survey is designed to generate a detailed picture of the inner workings of your child's school. As a parent, this opportunity will allow you to share your thoughts on the important elements of school effectiveness in a survey about your child's school.

On behalf of the Illinois State Board of Education, the Illinois 5Essentials Survey will be administered online by UChicago Impact at the University of Chicago. The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

Prior research in more than 400 schools has shown that schools that were strong on at least three of these "5Essential" indicators were 10 times more likely to improve student learning gains in math and reading than those that were weak on three or more Essentials.

All district teachers as well as our 4th - 12th grade students will be responding to this survey. 5Essentials reports will be generated for our buildings if their teachers and/or students meet the response rate threshold of 50%. These reports will be sent to schools and districts in May 2023 and will also be included in the State School Report Card.

Additionally, if at least 20% of parents (*per building*) complete this survey, a parent supplement report will also be generated. The parent data will not be reported on the State Report Card.

Your participation in the parent portion of the survey will help us understand the conditions at your child's school and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your child.

The Illinois 5Essentials Survey for students and teachers will be conducted January 24, 2023 – March 31, 2023. The Parent Survey Supplement will be conducted during that same timeframe. To take the parent survey please visit: <https://survey.5-essentials.org/Illinois> and select the appropriate survey to begin.
