

Mianna Malone Scholarship For Dedication to Community Service

The Bourbonnais Friendship Festival, Inc, is a nonprofit organization dedicated to family oriented recreation and to the financial support of numerous community organizations. This scholarship has been created to honor the memory of an individual who was a long time dedicated volunteer. Mianna was a positive, upbeat and kind young lady. It may be cliché but this comes to mind when thinking of Mianna..."*The true measure of your character is what you do when nobody's watching*"...*She was the epitome of what community service entails...would rather work behind the scenes and not looking for recognition.*

It is the intention of the Bourbonnais Friendship Festival that this scholarship award be granted to an individual whose values reflect those of the late Miss Mianna Malone and that the \$500.00 stipend is used to support current and future goals.
