

Randy Bisaillon Memorial Scholarship

The Randy Bisaillon Memorial Scholarship honors the life and legacy of Randy Bisaillon, a proud resident of Herscher, Illinois and a 1965 graduate of Herscher High School. Randy was known as a man's man, honest, hardworking, and dependable. He believed in doing things the right way, showing up when it mattered, and lending a hand to anyone in need.

After serving his country in the United States Army, Randy returned home, where he built several successful businesses through determination, integrity, and a strong work ethic. He led by example with quiet strength and humility that earned the respect and admiration of everyone who knew him.

Randy's greatest source of pride was his family. He shared a loving marriage with his wife Linda and together they raised three children, Christopher, Craig, and Lisa, instilling in them the same values of hard work, honesty, and compassion that guided his own life. His grandchildren were the light of his world, and he took immense joy in watching them play sports and grow, always offering encouragement and wisdom.

This scholarship is awarded to two Herscher High School student-athletes who exemplify Randy's enduring values of hard work, perseverance, respect for others, and dedication to both family and community. It serves as a lasting tribute to a man whose life was defined by strength, humility, and heart and whose example will continue to inspire future generations of Herscher students.
