Parents and students,

I want to thank you in advance for your patience and flexibility during this challenging time. The teachers and staff at Herscher High School have been working very hard to make the most of this time away from the building.

School will not be in session March 17-30. E-learning will be implemented March 17-20 and on March 30. Teachers shared their respective platforms for e-learning with students. You can expect daily assignments by 8:30 a.m. Various communication avenues can be expected, such as email, text applications, and Google Classroom. Teachers will be available daily from 8:30-1:30.

There will be no e-learning expectations during Spring Break, March 23-27. As updated information is available, it will be shared as quickly as possible, via email, District website, School Messenger, and Facebook.

Parents, you can expect a daily email from the Unit Office. This email will provide a link for you to indicate your student's attendance for the day. The High School Office will remain open this week with hours of 8:00-3:00. Please call 815-426-2103 if you have any questions.
