

ATTENDANCE ASSISTANCE MAY NEWS

MAPPING OUT MAY

Gather up your energy-as spring sports gear up, final concerts, awards ceremonies, field trips, and so much more is headed our way.

May is arguably as busy as December--and comes with just as much anticipation. The difference is that May is also WARM, and so kids will want to be outside late and playing or doing spring sports instead of finishing projects and homework.

Attendance still matters and holding to a basic routine will help us all make it through May

FINISH STRONG

For several of our students, May is a celebration of all they have accomplished this year. Some will move on to new buildings and adventures in the fall. Others are still struggling to that finish line. Its important to give those final days just as much attention as all the other days...because every day matters-there is always something new to learn.

REMINDERS

Be on the lookout for any library books, electronics or other things that belong to the school as we wind down it will be time to turn those things in as a requirement for end of year check out.
