

# BGS

## November 2023

### EARL

- We got our Experienced Adults Read and Learning program up and running again! We had lots of volunteers listening to our students read and reading stories to them, too.

### PUMPKIN BOOK REPORTS

- Kindergarten students used pumpkins they picked from the "pumpkin patch" to do a book report. They picked a favorite book and then decorated their pumpkins to look like a character from the story. Everyone was able to present their project to the class and talk about the book and how they decorated their pumpkin.

## KINDERGARTEN PUMPKIN DAY

- Our kindergarten students got to pick a pumpkin from the pumpkin patch. Teachers and parent volunteers ran pumpkin stations for all of the classes. They participated in various activities related to the kindergarten curriculum.

## RED RIBBON WEEK

- We celebrated Red Ribbon Week by dressing up all week. Our themes were:  
Monday: Be kind to your heart and mind - wear red and paint the school red  
Tuesday: Find a peaceful mind - tie dye, peace signs  
Wednesday: Let your mind wander - dress like a tourist or for vacation  
Thursday: Your mind will be tickled pink. Chose drug free - wear pink  
Friday: Our minds are strong like a TiGeR - Show your tiger spirit in Black and Gold

## MRS. MCELROY'S GOOD NEWS

- In our classroom, we do what's called "Guest Reader" and a student is chosen who then picks a book of their choice and reads it to the class. It boosts their confidence with reading and they have fun practicing their fluency and reading with expression!

## HALLOWEEN

- Our classrooms had lots of Halloween fun October 31<sup>st</sup>. The classrooms celebrated with Halloween parties and activities throughout the day. We ended the day with a Halloween parade in our gym!

## MRS. ELLIOT'S LIBRARY GOOD NEWS

- We were able to expand on our STEM manipulatives with our scholastic earnings.

## PHOTOS FROM MRS. KING'S CLASS

- Mrs. King's class has been busy!! Chromebooks, walkathon, Grandparent's Day, Life Education Center, pumpkin math games, Oreo moon phases

# MRS. MAIER'S FIRSTIE'S GOOD NEWS

## FUN IN FIRST GRADE

**WE HAVE BEEN BUSY IN FIRST GRADE! WE FOCUSED ON SPACE IN SCIENCE! WE MADE MOON DOUGH ASTRONAUT ART AND LEARNED ABOUT MOON PHASES WITH OREOS! WE TOOK OUR FIRST MATH TEST ON OUR CHROMEBOOKS, CELEBRATED GRANDPARENTS DAY, AND EARNED OUR CLASS FISH WITH OUR GOOD BEHAVIOR!**

## STUDENTS OF THE MONTH

- October's SEL **BE YOURSELF**: Self-esteem, show who you are and who you want to be!
