

RTI Update

October 2025

Aimsweb Benchmarking

We've had a busy few weeks benchmarking all of our K-2 students and 3-8 RTI students! Great information for us to have to start the year! Goals have been set and students will be working hard to make progress!

Reading RTI Graduate

We were already able to graduate a 4th grade reading student! She's been working hard in RTI for many years and her fall benchmark scores were incredible!

Dark and Stormy Reading Night

Please sign up to volunteer **Tuesday, October 28!** Always a lot of fun to share scary (or not so scary) stories with kids and enjoy this fun family event!

Some statistics from our fall Aimsweb benchmark assessment

Percentages of students who scored in the average or above average range:

Kindergarten Numeracy: 69%
Kindergarten Literacy: 92%

1st Numeracy: 61%
1st Literacy: 82%

2nd Numeracy: 77%
2nd Literacy: 93%

"The beautiful thing about learning is that no one can take it away from you." –
B.B. King
